

26th Annual Reading Marathon

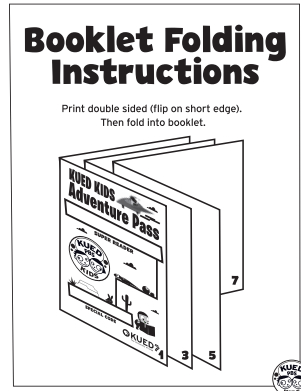

Download, Print, and Fold your Adventure Pass booklet

Step 1

The Adventure Pass is filled with FREE ADMISSION for your Super Reader to favorite locations around town.

The adventures are valid during different winter months, from January to March. Mark your calendars so you don't miss out on the free admission at each of these venues! You must have the Adventure Pass with you to get the free admission.

Make sure to download, save, and print your KUED Kids Adventure Pass. Print the pass double sided (flip on short edge), then fold into booklet.

Step 2

Access your Adventure Pass anytime by bookmarking the confirmation page link

You must download and save a copy to your phone or print your KUED Kids Adventure Pass and take it with you to each location to get the discount.

We save your Adventure Pass right here so you can always come back when you're ready for your adventure. We recommend saving the PDF and printing a hard-copy as this is the easiest way to check into your adventures around town. Reminder: Print the pass double sided (flip on short edge), then fold into booklet.

Step 3

Use Your Pass (how it works)

- KUED Kids Adventure Pass offers adventures in January, February, and March of 2019. Check the KUED Kids Adventure Pass before you head out to learn more about each offer.
- Child must have completed the Reading Marathon and is between preK - 6th grade.
- Adults and other family members who do not have a KUED Kids Adventure Pass will need to pay regular admission prices.
- You must have the Adventure Pass with you to receive each offer. Download and save a copy to your phone or print your KUED Kids Adventure. Print the pass double sided (flip on short edge), then fold into booklet.
- Each KUED Kids Adventure Pass has a special unique code that is linked to the child who completed the reading marathon. Locations will check you in based on this special code and your child's name.
- The Adventure Pass can only be used one time at each location.
